| 1 |

**MANADA**  
Buenos Aires, Argentina

Concept, final design, prototyping  
& production supervision of a kids  
furniture collection in the trend of  
Montessori movement.

The general ideas  
& technologies to apply:

- + MDF, Plywood, wood materials
- + CNC technology
- + Modular & easy, no-screws pieces  
to assemble by the user
- + simplicity & Montessori style

# MANADA®
